

MAKING MAP DATA WORK FOR You

Step Two, NWEA Partner Support

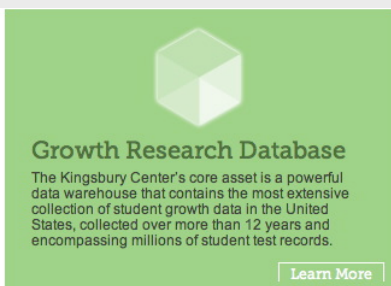

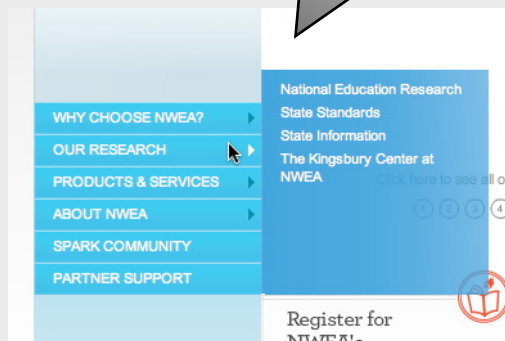

*Have a MAP question?
Try Partner Support.*

~ All schools who use MAP Tests are partners with NWEA. The Partner Support portion of the website is a very important part of their site. Make sure you take a few moments to become familiar with the information contained in this portion of the NWEA website. It's Professional Development to Technical Support.

~ It's a challenge, but NWEA aligns their test to the standards and benchmarks in each state.

~ The researchers and developers at NWEA are also on top of the developing Common Core, National Standards for Education. Take a few moments to discover how you can use this research with Des Cartes to pinpoint learning goals for each of your students.

~ 12 Years of Student Growth Data
~ Millions of Student Test Records
~ The Core of The Kingsbury Center data
~ Take a look at the fantastic work that is the Data Basis for much of the research at NWEA
